- Time norms for other activities, as may be prescribed, shall also be observed.

We shall endeavour to achieve minimum compliance level of 80% of the aforesaid time norms.

Compliance levels shall be gradually enhanced through close monitoring, standardization of processes, use of IT enabled services etc.

## SEVOTHAM

- Sevottam – structured improvement in Tax Payer Service:
- As a further improvement in system for Tax-Payer-Services, CBEC has been implementing SEVOTTAM project to deliver excellence in service delivery. SEVOTTAM is IS 15700: 2005 certifiable standard.
- SEVOTTAM is a Service Delivery Excellence Model which provides an assessment- improvement framework to bring about excellence in public service delivery. The model works as an evaluation mechanism to assess the quality of internal processes and their impact on the quality of service delivery.
- The SEVOTTAM model seeks to assess an organization on (i) implementation of the Citizens' Charter, (ii) implementation of grievances redress system and (iii) service delivery capability.
